### **SUNSET PUPU SAIL**

Please join us for what has to be, the most fun thing to do while visiting Maui. One of the reasons Maui is the #1 Island in the world is that it is blessed with numerous islands on its horizon. As the sun sets over the islands of Lanai and Kahoolawe to the west, the view of 10,000 foot Mount Healakala to the east is equally as breathtaking. Now picture yourself with your favorite beverage, witnessing this spectacular two hour sunset event. Do the words, peak experience come to mind? Heavy appetizers with full premium open bar included.

### **MOLOKINI SNORKEL ADVENTURE**

Come and enjoy our large double deck power jet catamaran, complete with water slides and all the toys for our adventure to famous Molokini Crater. Molokini has been rated as one of the top ten snorkel spots on the planet for many years. There is only a hand full of these types of volcanic calderas found around the world. Molokini Crater is actually the tip of an extinct volcano (we hope); it is also a protected marine life preserve and offers a terrific opportunity for guests to swim with literally hundreds of colorful fish. It has often been described as swimming in an outdoor aquarium with visibility close to 100ft. This adventure includes all snorkel gear and instruction along with continental breakfast, BBQ lunch, beer, wine, mai tais and sodas. Enjoy the amazing views of Maui and surrounding islands from the water along the way. This 5 hr. tour is absolutely a "must do" while on Maui.

### **DELUXE CIRCLE ISLAND HELICOPTER TOUR**

Flying in a state of the art helicopter is an absolute thrill! And Maui might just be the best place on the planet to fly. Because Maui has so many diverse eco-systems located on one island it makes this tour a must do while visiting. West Maui is one of the wettest places on earth with long streaming waterfalls and vibrant green valleys. Hana's uninhabited backside is home to "Seven Pools", and is the nation's largest rainforest. Haleakala Crater is the world's largest dormant volcano, large enough to house the island of Manhattan; from Wall Street to Harlem. Only 25% of Maui is visible from its roadways. This spectacular tour lets you see all of Maui with its unforgettable hidden valleys, rugged coastline, lush jungle vegetation, and incredible vistas. Don't miss the opportunity to see Maui in its entirety! For individual weight over 250 lbs please call for options. Two types of helicopters are available the A-Star and Whisper Star.

### **ROAD TO HANA LUXURY MINI COACH TOUR**

The winding road to Hana has long been one of Maui's favorite visitor excursions. Although only 52 miles, this tour will take most of the day. This "Heavenly Highway" is more than just another Sunday drive with 617 turns, and 56 one-lane bridges. Considered a road between two worlds, coastal vistas, waterfalls, wayside stops and remote beauty make this trip an interesting contrast to the beachside resorts left behind only hours ago. Not just a van tour, our luxury Mini Coaches

are equipped with captain's seats, and large viewing windows. This tour goes where car rentals aren't allowed. Delicious Oceanside buffet picnic lunch included. Don't miss the view because someone talked you into driving.

Considered to be one of the most beautiful drives in the world.

We would personally like to welcome you to Hawaii's longest side by side Zipline on Maui. Nowhere else will you experience such an unforgettably exhilarating excursion. Not your average "run of the mill" van tour for the geriatric set. This is an exciting, "you are out there" bike ride that starts from the top of the world's largest dormant volcano. Where can you cruise 30 miles downhill without peddling? Haleakala Crater is so vast it is said that one could put the entire city of Manhattan inside without any skyscraper peeking out. Needless to say, the photo opportunities during the spectacular sunrise over Haleakala are incredible! An experienced guide will lead, with a van to follow behind as you cruise along paved roads. Enjoy the smells of the eucalyptus forest on the way down. This is a seven hour tour. No host lunch stop, helmets, rain gear, custom bikes included in this once-in-a-lifetime outdoor adventure. Closed toed shoes and layered clothing recommended.

### **KANAIO COAST / MOLOKINI RAFTING ADVENTURE**

Definitely not for the faint of heart, this is a "wild ride of a lifetime!" You will get bounced about as our fast moving, high tech, hard bottom raft rockets through the Kanaio Coast to a place that only 20 of the 35,000 visitors to Maui per day

actually see. Snorkel remote coves and bays inaccessible by car. See the crystalline volcanic caves and formations of Maui's most recent lava flows. This 5.5 hour trip includes snorkeling at Molokini Crater and numerous dolphin and turtle habitats. Trip includes deli style lunch, beverages and snorkel gear.
